

X-958-4000: Tetrahydrofurfuryl Methacrylate

Product Name: Tetrahydrofurfuryl Methacrylate

CAS#: 2455-24-5

X-958-4000 Tetrahydrofurfuryl Methacrylate is a monofunctional monomer providing good adhesion, high Tg, and low viscosity.

Typical Applications: Coatings, Adhesives

Performance Properties:

- Adhesion
- Solvency
- Hardness
